SUMMARY

Motivated and detail-oriented Java Developer with strong knowledge of Java, Spring Boot, RESTful APIs, and database management. Experienced in building full-stack applications, implementing secure authentication systems, and developing scalable software solutions.

SKILLS AND INTEREST

Programming Languages: Java, JavaScript, Python, Django

Backend & Security: Spring Boot, Spring Security (login/auth), JWT tokens

Frontend: React JS, HTML, CSS, Next JS

API: REST APIs, Postman

Databases: MySQL, PostgreSQL, MongoDB

DevOps & Deployment: Docker, GitHub Actions, AWS

Version Control & Build Tools: Git, GitHub, Maven

PROJECTS

Printer Selling Website

Tech: HTML, CSS, JavaScript

- Built a commercial website to present products clearly and help users make informed buying decisions.
- Improved product presentation with cleaner information hierarchy and responsive layout.
- Balanced product detail, trust signals, and visual clarity across all screen sizes.

Land Renting System

Tech: Python, Data Management

- Built a system-oriented experience to manage records, actions, and information-heavy workflows.
- Structured complex information for easier use and scanning.
- Designed flows that reduce friction in repeated tasks and day-to-day operations.

Barber Booking Web App

Tech: JSP/Servlets, Database

- Client-side booking flow with availability checks and time blocking.
- Calendar sync and confirmation emails for reliable scheduling.
- Responsive, accessible forms and clear booking UX across devices.

Personal Expense Tracker

Tech: Spring Boot, Maven, Spring Security (JWT), Spring Data JPA, H2 (dev), jjwt

- Fast expense entry: add amount, date, category, and description in a few taps.
- Smart categorization: automatically group expenses and let you correct misclassified items.
- Quick insights: monthly totals, category breakdowns, and running balance at a glance.

- Search & filter: find expenses by date range, category, or text instantly.

EDUCATION

Bachelor of Information Technology (BIT)

Informatics College Pokhara, Pokhara, Nepal (2023 – Present)
